

Dr. Mullins

Agreement for Receiving H9 Cell Line

I have read and agree to adhere to the following guidelines for use of H9:

1. Use of H9 will be limited to my immediate laboratory for the specific purpose of transfection of CTV and HTLV-I DNA. No other experiments will be carried out with this cell line without prior discussions with Dr. Gallo. I will not give it out without prior written approval from Dr. Gallo.
2. Work performed will be on a collaborative basis with Dr. Gallo and his laboratory unless stated otherwise.
3. H9 will not be used for commercial purposes. A U.S. Government (National Cancer Institute) patent is in effect.
