- Whenever you do...
- "Mullins: no collab with CDC - unless (you) overcome of good will"
- "Kaly (situation) - not good for Gallo lab"
- "Not going to watch us primary material not given to me"
- "Duplication of government expenditures"
- "Advice" - cannot argue against logic of CDC having HTLV lab. But incredibly sorry  
I do not consider viruses that we have worked on for 27 years involved"
- "Expect CDC to have given us the best primary material - have not"
- "Kaly will not come down with any regrets"
- "No way we can collaborate on regrets"
- "No regrets to flow from this lab to you"
- "You ain't going to have it even in retrospectives"
- "My goals are to support you and stay"
- Chush " ~~keep in~~ (if you want to) keep in same position in ANS, but to keep good will with those in the know"
- "Don't form Central relationships with others"
