Dr. Peter Fischinger  
Associate Director  
National Cancer Institute  
Building 31, Room 11A19  
Bethesda, Maryland 20205

Dear Peter:

Regarding the academy, I believe it is almost vital to get in this year. I would appreciate it very much if you would remind Vince at the correct time to speak with Paul Marks. Also, some comment, perhaps directly from you, to Jim Wyngaarden would probably be very useful.

Thank you.

Sincerely yours,

Robert C. Gallo, M.D.
